

CALL FOR ABSTRACTS

On behalf of the members of the APSCI Board and the Organising Committee of the Asia Pacific Symposium on Cochlear Implants and Related Sciences 2021 (APSCI 2021), it is our pleasure to invite submissions for oral poster presentation for the online symposium to be held 8-10th December 2021.

Submissions addressing topics including basic research, diagnostics, surgery, outcomes and habilitation are welcomed for inclusion in the scientific program. If accepted in the program, oral posters will be asked to include short pre-recorded videos and the committee particularly welcome short surgical videos on topics such as radiology, hearing preservation, malformations, reimplantation, and complications, as well as osseointegrated devices and middle ear implants.

The oral poster program will supplement a series of panel and invited lectures and industry mini-symposia. This will be a great opportunity for delegates to be updated on research findings as well as new technology from our industry colleagues. We also plan to enable networking with colleagues, an aspect that we have all sorely missed over the past year due to COVID.

The closing date for receipt of submissions is 22 September 2021. To be included in the program, authors must be registered to attend the online symposium.

Abstract Submission

Oral Poster presentations will include a digital poster and 3 minute pre-recorded video presentation. To submit an abstract for Oral Poster presentation, please follow the steps below.

1. Download and complete the abstract template

Download the [Oral Poster Abstract template](#) and prepare your abstract.

2. Create a new account in the submission portal

Please create a new account, where you will need to select a preferred email address and create a password.

SUBMIT AN ABSTRACT

3. Enter your contact details

To begin the submission process you must first provide the contact details of the abstract submitter, which is done on the 'Contact Details' tab. After you have completed your contact details, additional tabs will appear that will enable you to submit your abstract.

4. Submit your abstract

Submit your abstract following the instructions in the [Abstract Submission Portal](#).

13TH ASIA PACIFIC SYMPOSIUM
ON COCHLEAR IMPLANTS AND RELATED SCIENCES

08–10 DECEMBER 2021

**APSCI
2021**

You can choose to save as a draft at any time by selecting the ‘Save As Draft Abstract’ button. If you would like to delete or edit your submission after it has been submitted, please contact the Audiology Australia Events Team via events@audiology.asn.au or telephone +61 3 9940 3900.

Once your abstract has been successfully submitted, you will receive a confirmation email. **Please note, if you do not receive this email it means that your abstract has not been submitted. It is your responsibility to ensure you have entered all information correctly in the submission portal.** To complete any missing information, select the ‘**Edit Abstracts**’ tab in the portal and submit your abstract.

Please contact the Audiology Australia Events Team via events@audiology.asn.au or telephone +61 3 9940 3900 for any further queries.

Submissions close on Wednesday 22 September 2021.
